Deposit & Registration

Registration fee and half of a term's deposit is required, per child, to secure a place at Tabernacle School. Deposit is kept by the school for the duration of the time that a child is in attendance and is offset against fees for the final term, providing requirements have been met.

One full term's notice is required in writing and must be served before the removal of a child. If a child is removed without meeting this criteria or if the place is terminated due to exclusion, all deposit will be forfeited.
